Your Innisbrook orders have arrived at school! Please check outside your child's classroom for your order. Take the time to review your order and let Joellen know of any discrepancies **NO LATER THAN THURSDAY, NOVEMBER 8<sup>TH</sup>**. This includes any missing or extra items that you did not order. There are some items on back order; this should be marked on your box. Those items will be delivered to Providence when they arrive.

**If you have another child that you are planning on sending to Providence next year, 2008-2009 school year, please submit an application to the office. Also, if you are thinking about switching your child from ½ day to full day or full day to half day at the primary level please let Joellen know. Our enrollment process is underway. You can download an application from our website or stop the office and pick one up. Thanks so much!**

**Aluminum Can Drive: Thank you for contributing to our can recycling drive. Grady Stewart delivered our cans to the recycling centers and Adam White recycled 43 lbs of cans for the school from cans he had collected alone! We are awaiting word on the prize winners. But please remember can recycling continues throughout the year to provide funds for our pet care.**

**Thanks also to a Classroom I family for donating the beautiful, custom built cabinets which were installed last week by past parent John Leininger. These cabinets have created much needed storage and have allowed us to reclaim the observation room.**
