

Kroger Cards

Please help support your school with the purchase of a Kroger gift card. This is the easiest fundraiser that Providence does and doesn't take any extra time!! Just purchase a gift card for \$20 and you will have a \$20 balance on it automatically. Each time you shop, just stop by the Customer Service desk and tell them how much you would like to put on the card. SIMPLE!! It can help you budget your monthly shopping, too! Just put the amount you want to spend on it the first of the month and get a balance at the bottom of your receipt each time you shop so you can keep track! EASY! If you forget to stop by the customer service desk, just give the cashier the card before you ring up your groceries. This card also makes a great gift or stocking stuffer for the upcoming holidays! Providence receives 4% on your purchase. Please show your support and get a card today!
