WEATHER RELATED NOTES:

Providence **does not** follow Fayette County Public Schools Snow Day Closings. We will make every effort to keep the school open on our regularly scheduled time should snow occur. If we have an unusual winter with an abundant amount of ice, similar to last year, we will notify parents of closings via major television and radio stations. Please listen for these closings. We will make decisions early in the morning. Because many of our families commute from surrounding counties, we urge parents to use personal discretion when deciding whether it is safe to transport their children to school.

Kroger card usage is increasing!

Thank you for using your Kroger cards! Our check this month was \$740.00! **Please keep in mind that Kroger cards make great gifts for family, employees, and friends during the holiday.** Example: we have a family (small business owner) that just purchased 120 cards to give to their employees for Thanksgiving. Kroger cards can be pre-ordered in any amount.

Please be a Good Neighbor and watch your speed

Providence always tries to be a good neighbor, please always come to a complete **STOP** at all **STOP** signs in our neighborhood. Also, please watch your **speed**. Police patrol the area at sporadic times and tickets are usually written for violations. Thank you!
