Morning carpool still is still backing up in the mornings onto Clyde Street. There are several things that could help with the process.

- ❖ Please place your child on the RIGHT side of the car so a staff member can get them out on the sidewalk side.
- ❖ Please stay in your vehicle when in the carpool circle and never leave your car unattended in the circle.
- ❖ Please do not park on Texaco or Clyde Street and walk your child onto the property.
- ❖ If you are in line prior to 8:15 and do not want your child to go to the before school program please pull into the parking lot, park and wait to let your child out at the appropriate time.
- ❖ Please never block a neighbor's driveway when waiting in line.
