Providence Summer Program – It's a Blast!

Providence will once again offer its popular summer camps for primary and lower elementary students. The dates for 2010 are June 7 - July 30. The Montessori philosophy is central to camp activities, which are designed by trained teachers and include many outdoor experiences, with time devoted to the creative arts and an exploration of themes compatible with the relaxed nature of the season. Camp hours span the full day, but drop-off and pick-up hours are flexible. Fees for the camps are \$155 per week for lower elementary and \$310 per two-week session for primary. Registration will

begin soon. For more information, contact Emily Balsam, summer camp coordinator, at emily.balsam@providencemontessoriky.org.

IMPORTANT WEATHER REMINDER: - Please remember Providence does not follow Fayette County schools when closing for snow. Please always use your **own discretion**. We serve families from many counties and realize that road conditions vary, and we leave that choice up to you. However, we also have many families that rely on us to be open and are very thankful that school is in session. As always when we close it will be posted on our website and listed on all of the TV stations. Thank You!
