## DID YOU KNOW???. . . . .

That Providence has a new mascot for our Campus Development Master Plan?

As School Director I was standing outside one beautiful day dismissing students. A mother pulled up looking for her child. The teacher reported that the child was not in the carpool line but could be found outside in the classroom garden, picking green beans. "That's what I love about this school!" exclaimed the mother. "What school other than Providence would children want to be outside picking beans in the garden after school?"

And thus the inception of, the horse, Green Bean the pace setter for a "Going Green" capital campaign encompassing the entire school campus.

### **Providence Summer Program - It's a Blast!**

Providence will once again offer its popular summer camps for primary and lower elementary students. The dates for 2010 are June 7 - July 30. The Montessori philosophy is central to camp activities, which are designed by trained teachers and include many outdoor experiences, with time devoted to the creative arts and an exploration of themes compatible with the relaxed nature of the season. Camp hours span the full day, but drop-off and pick-up hours are flexible. Fees for the camps are \$155 per week for lower elementary and \$310 per two-week session for primary. Registration will begin soon. **For more information, contact Emily Balsam, summer camp coordinator, at [emily.balsam@providencemontessoriky.org](mailto:emily.balsam@providencemontessoriky.org).**
