## DID YOU KNOW???......

Mrs. Hiler will teach the students lessons on ecological footprints and sustainable lifestyles beginning the week after spring break. Students will learn about how their footprint grows or shrinks based upon decisions they make daily. Students will talk about food, energy, transportation, creating less waste, community and school. These lessons will be a prelude to our Earth Day celebrations, projects, and activities.

Shhh!! It's a secret....Green Bean will make his début on lesson day!  
Don't tell!

### Potential Board of Director openings beginning this June

There will be potential openings on our Board of Directors beginning this June. The board is made up of current parents, past parents, and staff. We have had a few parents mention their interest in serving on the board. If you are interested please contact Carol Hiler or Susan Hammonds for additional information.

## Providence Summer Program - It's a Blast!

Providence will once again offer its popular summer camps for primary and lower elementary students. The dates for 2010 are June 7 - July 30. The Montessori philosophy is central to camp activities, which are designed by trained teachers and include many outdoor experiences, with time devoted to the creative arts and an exploration of themes compatible with the relaxed nature of the season. Camp hours span the full day, but drop-off and pick-up hours are flexible. Fees for the camps are \$155 per week for lower elementary and \$310 per two-week session for primary. Registration will begin soon. **For more information, contact Emily Balsam, summer camp coordinator, at [emily.balsam@providencemontessoriky.org](mailto:emily.balsam@providencemontessoriky.org).**

## Providence ROCKS

Roots of Community, Knowledge and Service

Saturday, April 24

The Miller House - A Modern Historic House
