DID YOU KNOW???.....

Providence Montessori now owns the two empty lots in front of the school? The school has hired WEE Landscape Architecture, Inc. to develop a Master Plan that will focus on school safety, improved traffic flow, parking and ecologically sound practices.

There is a copy of the Master Plan in the front lobby of the school? We would love for all families to stop by and check out the future look of the School.

April 24, Saturday -You will not want to miss this wonderful night of fun! April 24, Saturday - Our annual spring auction will be held at the **Miller House**, a modern historic house museum.

Please visit: <http://www.thefoundationforadvancedarchitecture.org>. Please take the time to read and help us if you can! We need each family to buy or sell four (4) tickets to the event. Thank you.

Providence Summer Program - It's a Blast!

Providence will once again offer its popular summer camps for primary and lower elementary students. The dates for 2010 are June 7 - July 30. The Montessori philosophy is central to camp activities, which are designed by trained teachers and include many outdoor experiences, with time devoted to the creative arts and an exploration of themes compatible with the relaxed nature of the season. Camp hours span the full day, but drop-off and pick-up hours are flexible. Fees for the camps are \$155 per week for lower elementary and \$310 per two-week session for primary. Registration will begin soon. **For more information, contact Emily Balsam, summer camp coordinator, at emily.balsam@providencemontessoriky.org.**
