- ❖ We are still in need of food for Sunday. Finger sandwiches and cheese trays are always popular. Please help if you can. This is a very well attended event. Thank you for your help! Remember food items can be brought in on Friday.
- ❖ We are also in need of volunteers, please see the email that was sent out yesterday and sign up if you can help.

The Fundraising Committee is looking for a new location to hold the spring event. It is an adult gathering in April of around 200 guests. If you know of a good venue or have a venue that you would be willing to donate please contact Jennifer Pederson at jennifer.pederson@providencemontessoriky.org. We are open to all ideas including barns.

"Yes We Can" - October 1 - October 31 - Providence will be participating in the US Conference of Mayors City Recycling Challenge to collect aluminum beverage cans during the month of October. Please save your aluminum cans and bring them to the **shed and put them in the blue recycling bins located next to the shed.** Cash prizes will be awarded to the schools that collect and recycle the highest number of aluminum beverage cans per student. **A BIG THANK YOU** to Grady and Kim Stewart for transporting the cans to the recycling center. Providence has won cash prizes in the past; let's do it again!

Please always come to a complete **STOP** at all **STOP** signs in our neighborhood. There was a "close call" this morning on the corner of Clyde and Texaco. Don't forget you must stop at the end of our drive way. Thanks!
