DID YOU KNOW???

Providence R.O.C.K.S. has some exciting new items

Exciting items this year...a hand (fingerprint) painted clay pots (plants not included). Each classroom has participated in the decorating of a pot for their classroom. We will be auctioning off the pots at the auction but will accept bids leading up to the night of the auction. The planters will be in the Front Lobby so stop in and see them. If you love them as much as we do place a bid. Make sure to write in your maximum bid so you are not outbid the night of the auction.

Have you seen the brochure for Providence's exciting summer Camp with the Arts?

It may be spring break but we hope you'll think ahead to summer break and sign up for the new Camp with the Arts. Under the direction of Mr. Martin, Camp with the Arts will immerse your child in art, music, drama, culture and science. Two-week sessions begin June 13 and run through July 22. Registration is open to Providence students only through April 15. After that date, registration will open to students from other schools. If you have any questions, please stop by the school office or speak with Mr. Martin. Let's get creative!
