DID YOU KNOW???...

Contracts for the upcoming year (2012-2013) will be mailed out on January 3, 2012. They will be arriving at your home via the mail. Please watch out for yours during that week. If you do not get one please call the office and speak with Joellen.

It is very important that we receive all contracts accompanied with a \$500.00 deposit no later than January 27th.

Starting at the beginning of February we will begin to fill all open spaces at all levels.

Accidents Happen

We are in need of children's used clothing for ages 3-6. We especially need boys pants and underwear. If you have any clothes your children have outgrown, please send them our way. Thanks so much!

Reminder: Please help your child transition from their "home toys" prior to coming to school in the morning. It has always been our policy that children don't bring toys and electronic "gadgets" to school, unless it is their special share day and they have permission. Thank you for helping us with this important matter.

Do you have another child you are interested in enrolling next year in our Toddler, Primary or Elementary Programs? Do you have friends that may be interested in Providence? Please stop by the office and pick up an application or you can download one from our website. We are anticipating a "full house" next year so don't delay in turning in your applications to the office.

December 15, Thursday (Tonight) - Elementary Winter Concert - All students need to meet in Haley Hall at 6:30pm and the teachers will walk them to the Founders Building before the concert starts at 7:00pm. Ms. Franzini has asked that all the children wear white tops and dark bottoms.

WISH LIST

Often teachers and the school are in need of various items throughout the year. Every Thursday, a wish list will appear in Thursday mail. These are items that the teachers have specifically requested. Items do not need to be bought new.

Here are some items on our wish list:

- Classroom V - needs craft supplies- embroidery hoops, fabric scraps, felt, thread, needles, buttons, beads, small glue guns and glue sticks, gel pens, old holiday cards, cardboard tubes, etc.
- The Front Office - Thanks to the Lynch family for donating an LCD projector.

Our appliances in the school sometimes need replacing. Before you give away your old, usable appliances (washers, dryers, microwaves, refrigerators, etc.) call the school.
