DID YOU KNOW???...

The speed limit is 25 MPH on all the side streets around Providence including Clyde St.

There will be a police officer sitting on Clyde in the mornings and in the afternoons monitoring the speed. He does NOT want to write tickets, but he will be forced to if anyone is going over the 25 MPH speed limit.

On another note: It seems our handicapped parking spots are being used for convenience parking in the morning and afternoon during drop off and pick up times. We need to have those spots available for drivers with handicapped needs and official car tags. We have a current family that uses our handicapped spots. Thanks so much for your understanding.

This event will replace our currently scheduled Parent Ed. Night which is on the calendar for February 2nd. Invitation to follow!

Reminder: Please help your child transition from their "home toys" prior to coming to school in the morning. It has always been our policy that children don't bring toys and electronic "gadgets" to school, unless it is their special share day and they have permission. Thank you for helping us with this important matter.

WISH LIST

Often teachers and the school are in need of various items throughout the year. Every Thursday, a wish list will appear in Thursday mail. These are items that the teachers have specifically requested. Items do not need to be bought new.

Here are some items on our wish list:

- Classroom III - small microwave
- Founders Building/P.E. program - would like a vacuum cleaner with a hose.

Our appliances in the school sometimes need replacing. Before you give away your old, usable appliances (washers, dryers, microwaves, refrigerators, etc.) call the school.
