## DID YOU KNOW???...

Providence participates and relies on the Kroger GIFT CARD PROGRAM. The gift card is used like a debit card and can be reloaded at any time. Providence receives a 4% contribution on the amount you load on your Gift Card before you shop.

### Features and Advantages:

- Use cash, check, or your credit card to have the card replenished at the checkout counters at Kroger.
- Replenishments should be made BEFORE purchases.
- Replenishments for any amount from \$5.00 up to \$500.00.
- Cards are good for all Kroger purchases including gasoline!
- Cards are good at any Kroger!

Remember - in order for Providence to receive the 4% contribution from your purchase, you must use a gift card purchased from Providence. We have cards available in the office with \$20.00 already loaded on them. If you have any questions please don't hesitate to call Joellen in the office.

## Important Morning Drop Off Procedures

- If you arrive to drop off your child between 7:45 - 8:15 they are to go to Haley Hall (outside of the Library) for the before school program. This is a supervised area where the children gather until their teachers are ready to welcome into the classrooms at 8:15. For Classrooms I & III before school is included in your tuition payment. For all other classrooms there is a charge of \$3.00/day if you have not signed up in advance. Amy will send you a bill at the end of the month for the days your child attended. If you feel you will be using the before school program on a regular basis please see Joey Blandford, our Business Manager.

- Please place your child's car seat on the right side of the car for easy drop off. It makes for a dangerous situation if the child has to get out on the left and cross in front of other cars to get to the side walk. For those of you with siblings, particularly with young infants, we request that your child scoot across the seat to the passenger side and exit onto the sidewalk if you are not comfortable with moving the infant seat to the driver's side.
- If you arrive early and don't want your child to enter the building to attend before school, please park and wait with your child. You may walk them in or re-enter the car pool line to drop them off.
