PARENTS AND SUPPORTERS OF PROVIDENCE MONTESSORI

Magic Beans Coffee Roasters is again offering a unique opportunity to support Providence through subscriptions to our Origin Explorers Club. You can help raise funds for your school while enjoying a high-quality, fresh, local product. We offer you a product you want and can use - exceptional coffees from around the world!

At the beginning of each month, we will deliver the monthly selection from the Origin Explorers Club to your school within 24 hours of roasting. The school will then distribute your coffee to you. If you have friends, family, or neighbors who would like to subscribe, they may do so - you can pick up their coffee for them, or we can ship to any US, APO, or FPO address.

Subscribers to the program will pay the same monthly fee as our regular customers here in Lexington. The school will receive 15% of all sales through this program.

Cost of subscription:
- **4-month** Subscription (Oct-Jan) $112
  Two 12 oz. bags of single-origin coffee per month, with an origin information sheet (School pick-up)
- **8-month** Subscription (October-May) $224
  (School pick-up)
**Or we can ship it to you for an additional $6.50/month!**

To sign up, please complete the form below, and return to the school with a check payable to Magic Beans Coffee Roasters.

**THE ORIGIN EXPLORERS CLUB**

Magic Beans offers distinctive and unusual coffees not often seen in Central Kentucky: exquisite single-farm coffees, rare “micro-lot” offerings, and new coffees from emerging producers. To increase the variety of offerings we can present, we have created the Magic Beans Origin Explorers Club. Each month, we feature a different single-origin coffee as our special selection. Each month's selection will come with tasting notes, brewing recommendations, and information about the region or specific farm where the coffee was grown and the people who produced it.

About Us
Magic Beans Coffee Roasters' mission is to bring single-origin coffees of exceptional value to Lexington, to roast them in small batches, and to deliver them to consumers immediately after roasting for optimal freshness. Our coffee is roasted in downtown Lexington, KY in a small studio in the Breadbox at Jefferson and Sixth. We are passionate about high-quality community-produced goods, and our commitment to freshness and quality has earned us a spot on the menus of distinguished destinations such as 21C Hotels, County Club, Smithtown Seafood, Broom Wagon Coffee & Bikes, and Sunrise Bakery, among others.
